INDEPENDENT AUDITORS' REPORT

**To: Chairman and The Executive Board
PORTCOAST CONSULTANT CORPORATION**

We have audited the accompanying financial statements of Portcoast Consultant Corporation ("the Company"), presented at 31 March 2017, as set out on pages 6 to 28, which comprise the balance sheet as at 31 December 2016, and the income statement, cash flow statement and notes to the financial statements for the year then ended.

Responsibilities of the Executive Board

The Executive Board is responsible for the preparation of these financial statements true and fairly in accordance with comply with Vietnamese Accounting Standards, Vietnamese Accounting System and financial reporting related legal regulations in Vietnam, and such internal control as the Executive Board determined as necessary to ensure that the preparation and presentation of these financial statements that are free from material misstatement to fraud or error.

Responsibilities of Auditors

Our responsibility is to express an opinion on these financial statements based on our audit. We have conducted our audit in accordance with Vietnamese Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Executive Board, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for qualified opinion

2. BASIS FOR PREPARATION

The financial statements, expressed in Vietnamese dong (“VND”), are prepared in accordance with Vietnamese Accounting Standards and Vietnamese Accounting System.

The financial statements are prepared on the historical cost basis. The accounting policies have been consistently applied by the Company.

The financial year of the Company is from 1 January to 31 December.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2016

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

BASIS FOR PREPARATION *(continued)*

The currency used in the accounting is VND.

The applicable accounting documentation system is the journal voucher.

3. SIGNIFICANT ACCOUNTING POLICIES

3.1 General accounting convention

Accounting policies are applied appropriately and consistently in accordance with the accounting policies of the previous year, except the cases presented in note 3.7 and the change of the accounting policies related to the application of amending regulation as mentioned below.

3.2 Cash and cash equivalents

Cash comprises cash on hand, cash at banks (demand deposits) and cash in transit. Cash equivalents are short-term highly liquid investments with an original maturity of less than three months that are readily convertible into known amounts of cash and that are subject to an insignificant risk of change in value.

3.3 Foreign currency transactions

During the year, transactions in currencies other than Vietnamese Dong (VND) are translated into VND at the actual exchange rate of the transaction date. Realized gains or losses arisen during the year are recognized in the financial income and financial expense.

As at the Balance sheet date, monetary items (cash and cash equivalents, receivables and liabilities) denominated in foreign currencies are translated into VND based on the buying rate at the reporting date quoted by Vietnam Export Import Bank (EXIMBANK). The exchange rate differences arising from revaluation of monetary items are recorded as financial income or financial expense of the financial year.

3.4 Receivables

Trade and other receivables are stated at cost less allowance for doubtful debts.

The provision for doubtful debts represents the estimated loss due to non-payment arising on receivables that were outstanding at the balance sheet date, Increases and decreases to the provision balance are recognised as general and administration expense in the income statement.

3.5 Inventories

Inventories are determined at cost. Where the net realizable value is lower than cost, inventories should be measured at the net realizable value. Cost of inventories comprise all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. Net realizable value is the estimated selling price of inventory items, less the estimated costs of completion and selling expenses.

The perpetual method is used to record inventories. Cost is determined on specific identification method out basis.

Cost in the case of work in progress include direct raw materials, direct labour and attributable manufacturing overhead based on normal activities.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2016

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

Inventories (continued)

An inventory provision is created for the estimated loss arising due to the impairment (through diminution, damage, obsolescence, etc) of raw materials, finished goods and other inventories owned by the Company, based on appropriate evidence of impairment available at the balance sheet date. Increases and decreases to the provision balance are recognised as cost of goods sold in the income statement.

3.6 Tangible fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation.

The initial cost of a tangible fixed asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditures for additions, improvement and renewals are capitalised on fixed assets accounts, expenditures for maintenance and repairs are charged to the income statement.

When assets are sold or retired, their cost and accumulated depreciation are removed from the balance sheet and any gain or loss resulting from their disposal is included in the income statement.

Depreciation of tangible fixed assets is calculated on a straight-line basis over the estimated useful life of these assets, which are as follows:

Buildings and structure	15 - 30 years
Machinery and equipment	3 - 8 years
Transportation vehicles	3 - 10 years
Transmission equipment	6 - 8 years
Office equipment	3 - 5 years

3.7 Intangible fixed assets

Intangible fixed assets are stated at cost less accumulated amortization.

Land use rights

The beginning cost of land use rights is recorded at historical cost including its purchase price and any directly attributable costs of getting the land use rights. The useful time of these land use rights is unidentified, so it is not depreciated.

The Company's land use rights are as follows:

<u>Area</u>	<u>Location</u>
400.4m ²	No. 328 Nguyen Trong Tuyen Street, Tan Binh District, Ho Chi Minh City
